- A cone is knocked over and in box.
- A cone is standing and out of box.

A penalty is NOT given if:

- The cone is still standing and the base is partially in box.
- Cars passing on wrong side of a gate will be considered "on course" as long as they manage to knock over a cone as they go by the cone/gate.

### FAQ: Can I invite a guest to drive at a Renegade autocross?

You must ask the autocross committee ahead of time if you can bring a guest and, if approved, you and your guest must agree that if either of you break any club rules that you both must leave the event.
